Quality. Service. Innovation.™

The Claridge Difference

For over 60 years, Claridge has built a reputation for quality, service and innovation in visual display and presentation products.

Claridge provides a wide variety of products like markerboards, tackboards, marker walls, literature racks, presentation cabinets, changeable letter directories and more that can be custom-designed specifically for your needs. That is one thing that makes Claridge unique – we build products to suit your environment.

Our 500,000 square foot manufacturing plant enables us to control the quality of every product component and offer state-of-the-art customization for a reasonable price.

By crafting products in the United States and managing distribution through six regional centers, Claridge offers quick turnaround times, and guaranteed on-time shipping. And our knowledgeable staff handles inquiries efficiently and courteously.

At Claridge, we are only limited by the boundaries of your imagination. Contact your sales representative for pricing information, or to request a catalog, and visit our website at www.claridgeproducts.com for more products.
